Factbook

Fiscal Year 2025-26

The Factbook provides an overview of learners at TRU in terms of fiscal years (April 1 to March 31). It reports course enrolments, student headcount, Full-Time Equivalent (FTE) enrolment, and credentials awarded.

Statistics are displayed for on campus, Open Learning, dually enrolled, and all TRU learners by various characteristics such as age group, gender, residency, student status, etc. Headcount and demographic statistics may differ from other published reports because of how student characteristics are assigned for a fiscal year. For example, in this report, students enrolled in more than one credential are reported only in the highest-level credential, and students whose residency changes during the year are assigned to a single residency category.

Exclusions

- Offshore learners are excluded throughout the entire Factbook.

Definitions

On campus (OC): Includes learners enrolled in courses on the Kamloops campus, Williams Lake campus or any of TRU's Regional Centres.

Open Learning (OL): Includes learners enrolled in courses delivered by TRU Open Learning.

Dually enrolled: Includes learners who were enrolled in at least one course on any TRU campus **AND** enrolled in at least one Open Learning course in the same fiscal year. Dually enrolled students are included in both the on campus and Open Learning headcounts.

TRU unduplicated total: Unique headcount for the entire institution. Since some learners are dually enrolled in both on campus and Open Learning, the unduplicated total is not equal to the sum of on campus and Open Learning.

Rural students: Domestic learners who are identified as rural through the Canada Post Corporation (CPC) classification. This classification is based on the 2nd character of the learner's first recorded postal code at TRU.

Age was calculated as of the end of the fiscal year (at March 31).

Full Time Equivalent (FTE) enrolment converts course enrolments to the number of students taking a normal full course load. FTE is calculated in accordance with the method set out by the B.C. Ministry of Post-Secondary Education and Future Skills (PSFS). As per a Ministry request, in 2020-21, Open Learning program FTE divisors were aligned with on campus programs, resulting in a decrease in the FTE. Historical FTE have been restated on this basis.

Full time and part time student status is based on the annual FTE generated by the student, where $FTE \geq 0.6$ is considered full time.

Notes

1. Due to rounding, percentages may not add up to 100%.
2. For a list of credentials and programs that are offered at TRU, see <http://www.tru.ca/programs.html>
3. Indigenous students are those who self-identified as First Nations, Métis, or Inuit in the BC Kindergarten to Grade 12 education system or at a BC public post-secondary institution (PSFS "Ever-Indigenous"). Because TRU receives the system-wide information after a one-year delay, the current year figures are not reported.
4. The 'Prefer not to answer' and 'Unknown' gender categories are grouped together and displayed as 'Not reported'.
